## HOW TO GET TO THE ACADEMY

### Arriving by Airplane

- *T. F. Green International Airport in Providence, RI is the preferred gateway to the Academy and should always be your first option.*
  - Bradley International Airport in Hartford, CT should be used if flights are unavailable to T. F. Green in Providence, RI.
  - Groton/New London Airport is the closest gateway to the Academy, but the high cost of flight connections and flight restrictions make it unreliable as a destination. We recommend that Groton/New London Airport be used as a last resort.
- 

### Transportation from Airports

There is a limo service available from T. F. Green Airport (Providence, Rhode Island) to the Academy. **Before departing from your unit**, you should contact Prestige Limousine at (401) 732-2000. Transportation arrangements to the Academy can be made at this time.

- Greyhound Bus Lines run from Hartford, CT, to New London, CT, but because of weekly changes in the bus schedule, students may find it difficult to coordinate bus schedules and fares with their flight itinerary.
  - A taxi can be taken from Groton/New London Airport to the Academy; however, It is cost prohibitive to take a taxi from Providence or Hartford.
  - Some of the LDC schools may make arrangements for students to ride together in rental vehicles.
- 

### Arriving by Personal Vehicle or Rental Car

#### **Students arriving by personal vehicle without a Military decal:**

- When arriving at the Academy you must stop and register your vehicle with the Police Department. You'll be issued a temporary pass. You must have the following items in your possession in order to register your vehicle:
  - Proof of Auto Insurance. You are required to have liability coverage on your vehicle. If you do not have proof of insurance in your possession or do not have insurance, you will not be allowed to drive your vehicle on to the base.
  - Vehicle Registration or Rental Agreement. The vehicle does not need to be registered in your name, but your name must appear on the insurance policy. The Rental Agreement must be in your name.
  - Military ID and Driver's License.

## Arriving by Personal or Rental Car (continued)

- If driving a motorcycle, you must have proof of attending a Motorcycle Safety Course within the last three years. You must also wear the following items when driving a motorcycle on base:

### **Hot Tips**

Here are some tips on how to make your stay at the Coast Guard Academy more enjoyable:

- Make all transportation arrangements early. In the winter, plan on delays into and out of airports.
- Bring sufficient uniform items to meet the requirements of the school you are attending.
- Bring sufficient cash or other monetary support.
- Bring a jacket or sweater. Even our New England summer evenings are usually rather cool.
- Pack judiciously. Storage space in the guest quarters is limited.
- Remember that the drinking age in the state of Connecticut is 21. If you are under that age, it is against the law for you to consume alcoholic beverages.
